Profile

My name is Raphael, I'm 22 years old and I'm studying Computer Science at Mackenzie. I like working in groups, collaborating to help develop projects and products. I learn best in a practical way, implementing and testing what I'm learning.

Experiência

iOS Developer, Apple Developer Academy | Mackenzie – 2022-Present

Develop native apps for iOS platforms using the Swift programming language with the SwiftUI application creation framework.

Educação

Mackenzie Presbyterian University, São Paulo, SP, Brazil - Computer Science, 2025
